

1- Introduction:

Brief: Global news website (Similar to Yahoo and Google news websites), main purpose of this website is to provide news very fast (will connect this site to my social media / Twitter account and other strong sources to get news at earliest level)

Benefits: Spread awareness / save people from unwanted circumstances

2- List of Features

Following are the page / features of my website:

- Your Feed
 - Suggested pages based on click/view history
- Local
- Political
- Economical
- World
- Science & Tech
- Entertainment
- War and Terror
- Sports
- Health

3- Market Survey:

There are many similar websites that are providing similar services link google news , yahoo news , bing news all are provide content as per their way. Our website will provide news in a manner that only headline and a brief description of 2 lines will be shown in every news. If user is interested he will click on see more and will be redirected to new page containing remaining news and similar news gathered from different source.

4- Refference:

- News.google.com
- News.yahoo.com
- Bing.com/news
